Cheap Lots.

The only cheap lots offered in Waco
 for the last five years are those now
 on the market in the Kirkpatrick Ad-
 dition, East Waco. These lots are
 being sold for one-half their real value,
 making a chance to secure a desir-
 able home such as will never occur
 again.

Cheap Lots.

These lots lie high and dry. They
 overlook a large portion of the city
 and have perfect drainage. They lie
 in the healthiest part of the city, catch-
 ing the pure breezes from the prairie
 untainted by passage over any part of
 the city.

Cheap Lots.

These lots have the finest soil, a
 rich sandy loam, admirable for gar-
 dens, and are underlaid with pure
 water in inexhaustible quantities at a
 depth of fifteen and sixteen feet,
 which can be used for irrigation.

Cheap Lots.

These lots are closer to the center
 of the city than any other addition,
 and at the same distance lots are sell-
 ing for three and five times the price
 asked for these. There is millions in
 it for persons of small means. Call on
 Mrs. or P. G. Kirkpatrick, southwest
 corner Eighth and Clay street.

All parties desiring plats of the
 Kirkpatrick addition can obtain them
 upon application.

WEAKNESS.

Why will anyone remain weak when
 they can be made strong?

Everyone should know that the entire
 human structure is constantly being torn
 down and rebuilt, the same as in the
 vegetable world the trees shed their leaves
 and again put forth new shoots. Now,
 when the blood becomes too weak to carry
 to the kidneys and liver this dead tissue
 that should be removed, the whole system
 becomes enervated and a distressed feeling
 of weakness and unnatural fatigue follows.
 One feels half dead, so to speak, and literally
 is half dead, the old tissue clinging in

DO YOU FEEL

particles throughout the system, prevent-
 ing the forming of new tissue and the
 awakening of new life. At such times a
 medicine that will enrich the blood, re-
 move its sluggishness, fill it with red cor-
 puscles, and strengthen it, is necessary.
 There is only one such medicine and that
 is Dr. John Bull's Sarsaparilla. Its action
 on the blood is like the effect of cream on
 coffee, it makes it good. Do you want to feel
 the exuberance of perfect health? Do you
 want to feel strong and full of life in every
 part? Do you want to increase your self-
 control and be a perfect man or perfect
 woman, free from the unnatural tenden-
 cies of wasting and debilitating diseases?
 Then use Dr. Bull's Sarsaparilla. It will
 make you feel new and full of strength.
 T. D. Burrows, Covington, Ky., writes:
 "I would now be in my grave had I not
 used Dr. Bull's Sarsaparilla. I was pale,
 listless, and so weak that I spent more than
 half my time lying in bed. My memory
 was bad. I could not concentrate my mind
 on business or anything. My nights were
 restless, and my dreams unnaturally vivid.
 I lost flesh, and seemed to be wasting away.
 I grew despondent, and constantly fearful
 that something evil was going to happen.
 The smallest out would run into a sore, and
 my blood was thin and cold. I heard Bull's
 Sarsaparilla was a good strengthening medi-
 cine, and so gave it a trial. It has made
 life seem different to me, and filled me with
 activity, hope and determination, while my
 health is all I could desire."

If you love your child, look after its
 welfare by occasionally giving it Dr. John
 Bull's Worm Destroyers. They never do
 harm and will keep it well.

Smith's Tonic Syrup cures chills and
 fever after quinine has failed. It is pleas-
 ant to take, and never fails to cure. You do
 yourself a wrong to use quinine or any
 other chill medicine.

PAT CLEBURNE CAMP.

NAMES OF THE DEAD COMRADES
 BURIED IN WACO.

Great Preparations for Decoration
 Day—A Flood of Flowers will be
 Showered on the Hallowed
 Mounds.

Confederate Decoration day takes
 place in Waco under the auspices of
 Pat Cleburne Camp on May the 3d.
 It is desirable on the part of the Camp
 to locate the graves of both the Con-
 federate and Federal dead buried in
 Waco, as they will decorate the graves
 of both. The following is a list of
 both, so far as the committees have
 been able to ascertain. The friends
 of the dead are requested to report to
 Adjutant W. C. Cooper, 211 Archer
 street, East Waco, any inaccuracies
 in the list and to furnish him with the
 names of any which may have been
 omitted. All the graves named in
 the list have been located except the
 list headed, "Graves not located in
 First Street cemetery." Friends who
 can do so, will confer a favor by giv-
 ing the adjutant information that will
 enable the Camp's committees to lo-
 cate the unlocated graves of both
 Confederates and Federals.

The following are the lists:

BASE BALL MEETING.

Resignations Accepted—Changes
 Made—Three New Signers.

The Lone Star Base Ball club held
 an important meeting last night at
 their rooms at the Mitchell house and
 several changes which it is thought
 will be beneficial were made.

George Darrah, the second baseman
 resigned his position as field captain
 and the place was filled by Arch
 Thomas. A better selection could
 not have been made and the club may
 look for efficient service from Arch.

B. Spencer, Bob Hughston and
 Charlie Shaffer tendered their resig-
 nations from membership in the club
 which were accepted and their places
 at once filled by Tom Rose, James
 Watson and Tackaberry, which
 makes the team much stronger than it
 has ever been. The resignation of
 the three above named men will ne-
 cessitate some changes in the posi-
 tions of the other players, which is
 not yet decided upon, but it is thought
 that Rose will hold down third base.
 He is however, a good all around
 player being an exceptionally power-
 ful batter and more than average
 pitcher.

Tackaberry will be remembered as
 the tall shortstop who played so ad-
 mirably with the Fort Worth club
 last Sunday, whose beautiful short-
 stops, accurate and swift throwing and
 expert base running was the subject
 of remark of all who witnessed the
 game.

The boys have agreed to practice
 thoroughly every day and some good
 playing may be looked for in the near
 future.

The meeting altogether was strictly
 a business one and conducted with an
 eye single to the best interests of the
 club, regardless of personal feelings.

The boys meant business and did it
 in good shape.

Falling off a Precipice

is a terrible thing even in dreams. The
 victim of this frequent form of night-
 mare awakes with a start and a cry;
 his limbs bathed in cold perspiration,
 his heart thumping tremulously.
 Moral: Don't sleep on your back,
 particularly if you are troubled with
 dyspepsia and nervousness, and use
 Hostetter's Stomach Bitters to cure
 these joint troubles. For sleepless-
 ness, the inseparable attendant of
 chronic dyspepsia, and its offspring as
 well the Bitters is a surpassing reme-
 dy. The disordered stomach is the
 progenitor of numberless harassing
 symptoms, and the organs of thinking
 is a faithful reflector of its distur-
 bance, in which the liver and bowels
 also share. If we are to restore quiet-
 ude to the brain and nervous system,
 we must reinforce the stomach and
 regulate the action of the digestive,
 secretive and evacitative organs.
 Prevent and remedy malaria, inac-
 tivity of the kidneys and bladder, de-
 bility, heartburn, sickheadaches and la-
 grippe with this remedy, which has
 received the unqualified sanction of
 eminent physicians.

Pears' Soap

Whoever wants soft
 hands, smooth hands, white
 hands, or a clear complex-
 ion, he and she can have
 both; that is, if the skin is
 naturally transparent; un-
 less occupation prevents.

The color you want to
 avoid comes probably nei-
 ther of nature or work, but
 of habit.

Either you do not wash
 effectually, or you wash too
 effectually; you do not get
 the skin open and clean, or
 you hurt it.

Remedy.—Use Pears'
 Soap, no matter how much;
 but a little is enough if you
 use it often.

All sorts of stores sell it, especially
 druggists; all sorts of people use it.

 sion was a picnic at Corsicana, cele-
 brating the seventy-seventh anniver-
 sary of the founding of the order of Odd
 Fellows. There were about 250 people
 on the train, of which number about
 half were ladies.
